

Certification of Ph.D. Thesis Suitability for Final Examination

Thesis title:

Student's name:

Research Advisory Committee's Certification:

This thesis is in a form that is generally acceptable to us as to format, writing style, and overall grammatical accuracy. It is suitable for a final evaluation by the student's Ph.D. examining committee as to its scientific quality appropriate for recommending award of the Ph.D. degree.

Signature, Research Advisory Committee Chair

Signatures, remaining Research Advisory Committee members

Student Acknowledgement:

I understand that the signatures on this form certify that my Ph.D. thesis is suitable for scientific evaluation by my Ph.D. examining committee. I may now schedule my public thesis seminar and closed oral thesis defense to occur no sooner than two weeks from the date of completion of this form.

Student's Signature

Date

The student should return this completed form to the Chair of the student's Research Advisory Committee.
